

TRIBUTE TO OUR NEW MEMBERS

We're happy to welcome our Newcomers Ten,
Four lovely ladies and six gallant men;
First come the Russells - Patty and Dan,
Teachers who know how to make lesson plans,
And Janet - Ms.Cox, who'll serve our club well,
Her favorite program - "Saved By The Bell",
The Mosses are next - Barbara and Art,
They've shown us great promise, right from the start;
A Jerry named Hall we add to our group,
From the Tuscola Journal he gives us a "scoop",
The Landecks have joined us - that's Judy and Ken,
They sold lots of peanuts - that's how they began,
A welcome addition is a man named Jim Lee,
That's legal protection for you and for me;
And finally we welcome our colleague Roy Young,
He'll 'stand and deliver' till the last bell is rung,
So we'll see you each Monday and your hand we will shake,
We're so glad to have you - great Kiwanians you'll make!
