Making an Impact

A few of our projects include:

- Make and distribute trauma dolls for Crisis Nursery
- Partner with Rotary in food drive for local food pantry
- Assist with "Share the Food" program
- Sponsor Tuscola Torpedo swim team & other youth activities

Changing Tomorrows Today

Kiwanis clubs view their role within their respective communities with a great deal of foresight. Key aspects to operating an effective club include:

- Evaluating both children's issues and community needs on an ongoing basis
- Conducting service projects to respond to those identified needs
- Maintaining an active membership roster of community-minded people who have both the desire and the ability to serve

Club meetings traditionally are held once a week and offer an atmosphere of fun, learning, and fellowship.

In addition to attending the meetings, the typical Kiwanian volunteers each month to assist with club service projects.

Service projects often are linked to the Kiwanis program, "Young Children: Priority One." This initiative places continuing focus on the needs of children in pediatric trauma, safety, child care, early development, infant health, nutrition, and parenting skills.

Service projects also can address other needs within the community, such as working to stop substance abuse, helping the elderly, promoting literacy, supporting youth sports, responding to disasters, and supporting specific persons in need.
