

TUSCOLA KIWANIS VOLUNTEER HOUR SURVEY 2007 - 2008

The Club's Monthly Report requires the number of Service Hours performed that month by the members. To assist with this report it would be very helpful to know what community service you regularly perform. I have listed several service projects and you can add others that are not included.

There are Volunteer Service Hours Cards available from Wayne or Kathryn for special or one time projects that you do during any month. They should be turned into Wayne at the last meeting of the month.
