**‘Twas the Night of Thanksgiving**

'Twas the night of Thanksgiving,  
but I just couldn't sleep...  
I tried counting backwards,  
I tried counting sheep.

The leftovers beckoned...the dark meat and white,  
but I fought the temptation with all of my might.  
Tossing and turning with anticipation,  
the thought of a snack became infatuation.

So, I raced to the kitchen, flung open the door  
and gazed at the fridge, full of goodies galore.  
I gobbled up turkey and buttered potatoes,  
stuffing with gravy, green beans and tomatoes.

I felt myself swelling so plump and so round,  
till all of a sudden, I rose off the ground.  
I crashed through the ceiling, floating into the sky  
with a mouthful of pudding and a handful of pie.

But, I managed to yell as I soared past the trees...  
Happy eating to all -- pass the cranberries, please.

Linda has a 23 year old son with autism who is out in the community. She is very committed to helping individuals with autism and their families.

The center is located at 904 W. Nevada, Urbana, Illinois, phone number 217-244-1395. For more info, the website is: [theautismprogram@illinois.edu](mailto:theautismprogram@illinois.edu)

## Program:

Mike Damler in the absence of Linda Damler introduced Michael Smith, our speaker. Michael is the Tuscola Superintendent of Schools. He gave an update on the status of the school's financial condition. This time last year, the District was in financial trouble, but people were not generally aware of this condition. The conditions are much improved today because of several things... financial attitude, district spending, vendor contracts, employee contracts, special education costs and day-to-day spending. Many people were, and are, involved in making this improvement happen... administrators, teachers, custodians, parents, City of Tuscola and community organizations.

The 2011/2012 budget has fewer expenses but less revenue. The 2012/2013 budget includes a new teachers' contract. Michael stated that with the position that we put ourselves in, so much is dependent on increasing revenue. At a certain point, you run out of ways to cut expenses, but we are not there yet. The District receives money in three ways...local tax levy, Illinois State and property taxes. Revenues are down. Michael predicts there will be future consolidations of schools in Douglas County.

The district will move forward by continuing to make expenses a priority, keep staffing at a level we can afford, hope revenues will start to increase and understand what we are and what we are about to become (a small school district).

Mr. Monahan in Arcola to the Tuscola Rotary Club for the purpose of starting a foundation to benefit the Tuscola community, like he had done in Arcola. Bill McCarty, Emerson Moore and Doug McCumber were appointed to investigate and start up the foundation, if feasible. Illinois State approved the foundation in 1994 with Federal approval for a 501(c)(3) coming in 1995. The General Fund is Unrestricted for use. There are 8 restricted funds. Individuals who donate \$500 (\$1,000 for businesses) over 5 years or less period of time become lifetime voting members. The foundation has over \$2 million in available funds. Since its establishment, the foundation has provided over \$50,000 in scholarships and over \$250,000 in various grants.

## October 2012 Board Meeting Minutes

The meeting was called to order at the Amishland Buffet on Wednesday, 10/3/2012 at 12:05 PM by President Alan Shoemaker with the following Board Directors present:

	Tammy Baer – V.P.	x	Kim Higgins (2013)	x	Donna Motley (2015)
x	Lorraine Best (2014)	x	Tim Hoel (2013)	x	Tom Sturgis (2015)
x	Janet Butler – Secy		Candy Hudson – Treas.	x	Alan Shoemaker – Pres.
x	David Butler – Webmaster	x	Jerry Leonard (2014)		
x	Pat Damler – Pres. Elect	x	Jaci Manzella – Past Pres.		

New president Alan Shoemaker welcomed the new and continuing Board members. He thanked Jaci Manzella for a great 2011/2012 Kiwanis year. One of his goals as 2012/2013 president is to have one additional fundraiser to benefit our community, possibly providing a new SmartBoard for one of our schools. He asked Board members to think about ideas for a new fundraiser; we will discuss at our November meeting.

The following items of business were discussed:

1. Minutes of September Board Meeting – David Butler made a motion that the Board Meeting Minutes be approved as submitted. Jaci Manzella seconded the motion and it was approved.
2. September Monthly Reports – Janet had emailed Board members an advance copy of the KI and Tuscola monthly reports to review. The number of volunteer hours was 900 service hours. Tim Hoel made a motion that the reports be approved and submitted. Donna Motley seconded the motion and it was approved.
3. Treasurer’s Report – Candy had emailed the report to Board members for review. As of 9/30/12, the current balance in the Treasury is \$12,071.28. which includes \$1,253.87 for the Eliminate Project and \$156.40 for the 2013 Easter Egg Hunt. David Butler made a motion to approve the Treasurer’s Report. Lorraine Best seconded the motion and it was approved. Janet and Jaci reported that on 10/1/12 Candy sent the club’s donation of \$1,250.00 for The Eliminate Project with paperwork for a Zeller Award for our Kiwanian of the Year, Janet Butler. This will be reflected on the next Treasurer’s report.
4. Reimbursements/Disbursements – Donations approved as follows: \$115.00 donation to pay for 50% (Rotary is donating the other 50%) of the transportation cost for the East Prairie 5<sup>th</sup> Graders to attend Ag Safety Day in Arthur. \$100.00 donation in memory of Earl Pendergrass to: Central Illinois Honor Flights, c/o Illini Radio Group, 2603 W Bradley Av, Champaign, IL 61821. David Butler and Tim Hoel made motions to disburse the two donations. Tom Sturgis and Lorraine Best seconded the motions and they were approved.
5. New Members – Jaci Manzella made a motion to approve Bill Bauer, Margo Blaudow, Cathy Buckley, Ginger Campbell, Nancy Runge and Joan Spence as new members. Tom Sturgis seconded the motion and it was approved.

6. 2012/2013 Budget – Janet provided the 2011/2012 Actuals to Budget report, and the draft 2012/2013 budget. After some discussion and noting the extra \$500 the club has for the 2013 scholarships due to Topsy Mooday's generous donation, Tom made a motion that the club give 3 - \$750.00 scholarships in 2013 with the 3<sup>rd</sup> scholarship restricted to a Key Club member. Jerry seconded the motion and it was approved. With no further changes, Pat Damler made a motion to approve the budget. Jaci seconded the motion and it was approved. (Copy of the budget follows these meeting minutes.)
7. Peanut Sales – November 9 & 10 are the dates for the club's Peanut Sales Days. Judy Landeck started the sign-up sheets at the 10-1-12 meeting. Jaci is still firming additional members' help for delivering/picking up peanuts and donations to assist Judy. Jaci advised that she could probably help on Friday, and David Butler advised that he could help on Saturday.
8. New Member Inductions – New member inductions will be October 29, inducting as many of the new members as possible. The Board is aware that Cathy Buckley will not be able to attend, but will ask Pete Buckley to accept her materials. Alan will remind the new members and their sponsors to attend the 10/29 meeting, if at all possible. Janet advised that she would have all the new members' material prepared, and provide the induction script to Lt. Gov. Darrell Helm and President Alan Shoemaker before the 10/29 meeting.
9. Dues – The Board believes that just about all 2012 have been paid. Since Candy could not attend the meeting, the topic was tabled and she will report at our November meeting. The club is in very good financial condition.
10. Tuscola Community Foundation Membership – Linda Damler had requested that the Board consider a Tuscola Community Foundation membership. After discussion, Tim Hoel made a motion that the club does not join, Kim Higgins seconded the motion, and it was approved. It was generally thought that the club, through the Board, should keep control of the funds our club raises. The Board with member input decides who we donate to, how much and when...not a third party.
11. Volunteer Service Hours Recognition – Carol Beals brought an idea to Janet Butler regarding suggesting a way to possibly recognize members annually for volunteer hours. One idea was to recognize our top 2 or 3 tiers (TBD) of members based on annual volunteer hours...maybe with gold/silver star pins. After discussion, David Butler made a motion that we do not establish an annual service hours recognition program, Jaci Manzella seconded the motion and it was approved. Board members felt that this type of recognition put members on an uneven playing field...those who work, especially full-time and/or those who are less physically able to volunteer are unable to do the same amount of volunteering as members in good health and/or retired members. Every hour of volunteering is important to our community, and our members do it because they care and want to make a difference.

12.2012/2013 Distinguished Club Criteria – Tabled to next meeting.

13.Meeting Schedule – Alan asked Board members if the second Wednesday of the month still worked. Members indicated yes, and Alan reported that it should work generally for him as well. However, he made a special request to move the November meeting from 11/14 to 11/7. After discussion, the Board members agreed to move the meeting as requested. David will update our online calendar, and the October newsletter.

14.Next Meeting – The next Board meeting will be Wednesday, November 7 at Amishland Buffet at noon. Board members....update your November calendars....this is a change.

15.Adjournment – There being no further business, the meeting adjourned at 1:01 P.M.

Janet Butler  
Secretary
