Trees are a superpower for our environment. They collect carbon dioxide and release oxygen into the air. Trees are a major source of food, healthcare products, homes for animals, and more.

There are over 60,000 species of trees. Trees are the oldest living things on earth. There is a tree 4,800 years old. The rings of a tree can not only tell the tree’s age, but also date events such as drought.

OLD BUSINESS

1. Fish Fry Recap – The club netted (sales minus expense) \$2,208.38 on the event. Less than last year due to increased expenses and fewer meals sold.
2. Egg Hunt Results – Janet provided an egg hunt attendance summary 2023-2025. For this year, 244 children were registered. A 19% increase over 2024. Janet will send the appropriate thank you letters this week. Summary enclosed.
3. Membership Plan – Jeannie reported positive comments regarding a board member greeting and circulating before each club meeting. We will continue to do so. Members enjoyed the position switching for the egg stuffing, giving them the opportunity to chat with other members. Jeannie plans to continue this when the program is a game/trivia theme with tables participating.
4. Christmastown Craft Fair – This item was tabled from the March meeting. Our club was asked to take over the Christmastown Craft Fair by Becky's Buddies, beginning this year. Jeannie contacted Mayor Dan Kleiss to see what the city's intentions are for the 2025 Christmas parade and race. He referred her to Tourism Director Stepheny McMahon. Jeannie has not spoken to her. After discussion, the Board agreed to decline the request, though if the craft fair continues, we will continue our Bake Sale. No motion was required to decline. Jeannie will advise Becky's Buddies. She will also contact Stepheny to pass on concerns about continuing the parade as a night parade and not starting or ending the race at the community building. There was not enough going on downtown last year to bring in the crowds that were expected.
5. 2025/2026 Vice President and two Club Directors – The Board discussed possible candidates for the positions effective 10-1-2025. Jeannie will contact possible candidates.

6. Nunn Scout Building Cleanup – Online signup is open. Hardcopy will be passed again on Wednesday.
7. KNRF Mega Event – April 24th – Jeannie will present the club's \$4,200 donation check for KNRF to Ken Whitmore. Ken will present Elble awards to Cathy, Pete, and Candy. Several members from our club will attend.

NEW BUSINESS

1. 2025 TCHS Scholarships – Jeannie reported that the winners have been selected. She will present the scholarships on Honor Day on May 9th.
2. Miss Tuscola Pageants – Jeannie reported that the city is looking for a group or organization to oversee the Miss Tuscola Pageants. After discussion, the Board agreed to not take on this project. No motion was required to decline. Jeannie will advise Mayor Dan Kleiss.
3. NW Volunteer Opportunity – The school needs crossing guard volunteers on school days 7:30a-8a and 3p-3:30p. The Board agreed not to establish this as a club service project. If you are individually interested in being a crossing guard, contact the NW office. Regarding liability, there is no insurance coverage by the school district. If there was a volunteer or child injury, the volunteer would be personally responsible and liable.
4. Kiwanis International Bylaws – KI updated its bylaws February 2025. To remain in good standing, each club must approve the updates. David Butler made a motion to approve the updated bylaws as presented. Ian Rominger seconded the motion and it was approved. Janet will confirm our club's approval on KI's website.
5. Monarch Station at EP – The committee will get it ready for this season. Ian reported that the area will need mulch. He will take care of it.
6. Little Free Library – The Board agreed to re-brand our little libraries to "Tuscola Kiwanis Free Library." Each book will be labels "Donated by the Tuscola Kiwanis Club." The committee will check in to see if more books are needed and check into possibly establishing a little library at the laundromat on Main St. Janet will check with April Kauffman, DCHS office manager, to see if the library was moved to DCHD's U.S. 36 location east of Tuscola. Sue Gavin volunteered to join the committee. If you are interested in serving on this committee, see Jeannie.

7. October 29th Meeting – CANCELLED – Due to a conflict with Safety Day and 10/29 being the 5th Wednesday of the month, Sue Gavin made a motion to cancel the club's 10/29 meeting. Carol Martin seconded the motion and it was approved. Janet reported that Safety Day will be held at the Arthur Christian School, and will return to Thursdays in 2026.

Adjournment – There being no further business, the meeting was adjourned at 1:10PM.

Next Board Meeting – The next Board meeting will be Monday, May 12th at The Breakfast Place.
